## **Glenbard student one of 2 statewide to earn perfect ACT score**

Justin Quam of Lombard, a student at Glenbard East High School, is one of only two college bound students throughout Illinois to score a perfect 36 on the ACT exam taken in April.

Justin is one of only 32 students in the nation to achieve a 36, a perfect composite score, according to ACT officials. His achievement is particularly impressive considering 405,000 students across the country were tested in April.

The ACT, which is the most widely accepted college entrance exam, consists of tests in math, English, science and reading. Justin's composite scores is the average of the four test scores.
